Name	Core Falsehood/Truth										
Date of Birth	Initial Date										
VITAL SCAN											
Implementation & Assessment Form											
Radiesthesic Calibration											
High Thymus											
"Is this Body protected?"											
Core Essence/Protection											
Energy Circuits (6)											
Cosmic Shutdown Virus											
Internal Power											
Fractured Crucible											
Core Essence/Protection											
"Is Hydrational Reserve at 100% or more?"											
"Does this Body need Grizzly Bear?"											
"Vital Scan?"											
"Menu?"											
"Home Blocking?"											
"Is the Calorie Formula fully operational?"											
Core Belief(s)											
ELF Electro-Magnetic Fields											
Electromagnetic System Test 1&2											
Protein Utilization											
Sugar Poisoning											
Calcium											
"Wrong dosage?"											
"Wrong type?"											
Cholecalciferol (Vit D3)											
Boron											
Phylloquinone/Menaquinone (Vit K)											
Calcium Utilization											
Two-Point Energy											
"Finished with Energy Circuits (6)?"											
Costal Torsion											
Thoracic Spine											
Diaphragmatic Reset											
Drain											
Self											
Emotional Communication											
Basic Emotion											
Emotional Energy Efficiency											
Energy Efficiency											
Water Circuits (Psoas)											
Body Fluids											
Water Metabolism											
Water Utilization											
"Current state allow new Situationals?"											
Zeta Virus											
Zeta Energy Efficiency											
Zeta Wave											
Unhealthy Attachments											
Situational Resilience ("Zero Situationals?")											
Cogitation Parasitus											
Assess Benchmarks											
"Finished with Metal Homeostasis?"											
Individualized Vital Scan Additions											

TBM
Total Body Modification
